

FIRE PITS

A fire pit can be a maximum of 3 metres by 3 metres or 10ft by 10ft. The material for the fire shall not, when burned, emit noxious or toxic smoke or gases. The fire pit can't be any closer than 50 metres or 165 ft to any structure or building. The fire pit must be 10 metres or 32ft inside your property line.

A burn permit is required before you can use your fire pit.

You must follow the Open Air Burning bylaw for the Township of Madoc, if you need more information please contact

MADOC TOWNSHIP FIRE DEPARTMENT, 613-473-2677
